### SOLICITOR’S REPORT

Nothing for the public.

### MAYOR’S REPORT

Mayor’s Report for March 2011 was reported with receipts of \$2,855.23 which included traffic receipts of \$1,690.21 and non-traffic receipts of \$175.32. There were 117 complaint calls, 27 traffic citations, and 5 non-traffic citations.

- Latrobe Chamber of Commerce will have the Economic Exchange Day on Thursday, April 14, 2011 with the Derry Area and Latrobe students. They will be reviewing the Marcellus Shale project and the pros and cons of natural gas drilling.
- The mayor reported that someone came forward in her shop interested in volunteering at the playground to prevent vandalism and inappropriate behavior. She suggested a background check be completed for anyone who would like to volunteer for safety reasons costing a total of \$53 including a child abuse history for \$10, a state police background check for \$10, and a FBI fingerprint check for \$33. Barry mentioned that it wouldn’t be appropriate for volunteers to ask someone to leave the playground. Allen asked if there are any liability issues for the volunteers. Susan stated that the volunteers would contact the police if any issues would come up at the playground which need addressed. Allen requested council to give their opinions. A discussion took place. The secretary stated that she would discuss liability with the insurance carriers and report back.

## April 11, 2011

Bob Sieminkewicz suggested that a job description be put in place with training for such volunteers and that they are aware that they need to contact the police for issues which need addressed. Allen suggested it is good to see community residents want to step forward and help with their community.

- Derry Area Historical Society will be holding an event on May 1, 2011 and include community leaders for a newly formed youth group for ecological studies.
- Marcellus Shale is forwarding a quarterly newsletter to our municipality regarding gas drilling, which Susan and Allen received.
- Ligonier had a citizens group meeting regarding gas drillings and problems that have come to surface for some land owners. They showed a movie called Gas Lands regarding the drilling process which displayed some of the environmental problems that have surfaced. It was suggested that Derry Borough, Derry Township, and New Alexandria could have a public meeting regarding drillings and protective measures that can be taken for the property owners. There are problems arising including water pollution, air pollution, and possible decline in property values. St. Vincent is having a public viewing of the documentary with a commentary afterwards on April 20<sup>th</sup> from 6pm-8pm. Kelly Tatone will email the information to council.
- Susan forwarded a memo to the police department to walk the downtown area more. She also discussed the idea of bike patrol with the Chief; however, it is not suitable when one policeman is on duty since it is more difficult to reach the police vehicle in case of an emergency. She also asked them not to leave police vehicles idle for more than five minutes at a time.
- MDIA is an outsourcing agency for code enforcement that we may be able to utilize in the future as a combined effort with New Alexandria, Derry Township, and Derry Borough. Susan suggested there may be grants available by DCNR.
- Susan asked if Ellen Keefe would come to a council work session in May regarding individual recycling and discuss the possibilities for Derry Borough.
- The Census Bureau will be conducting 2010 question resolution program from June 1, 2011 to June 1, 2013 providing elected officials to challenge the 2010 census counts. She suggested council could write a letter if they felt there was an inaccuracy and it could be investigated.

### COMMITTEE REPORTS

- Barry Smith reported that the public works department is in need of the commercial tractor to replace the non-commercial one that currently is in operation due to the age of the equipment.
- Barry Smith mentioned that the funds he receives for his time on council is donated back into the community with DARCEE and Railroad Days and prefers to see that money go back into the community.
