

Make Your Backyard Less Inviting For Mosquitoes

A FREE Workshop!

Wednesday, July 26th

Don't put out the "Welcome" mat for mosquitoes this summer.

Discover some simple steps you can take to reduce the number of mosquitoes living and breeding in your backyard. And fewer mosquitoes means less risk that you and your family will be exposed to the diseases mosquitoes carry, including the West Nile and Zika viruses.

This workshop also will share what measures are being taken locally to monitor and control mosquitoes in Westmoreland County.

Location

Westmoreland Conservation District
J. Roy Houston Conservation Center
218 Donohoe Road
Greensburg, PA 15601

6:30 p.m. - 7:30 p.m.

Refreshments will be served.

FREE admission, but please RSVP by July 25th by calling 724-837-5271 or email receptionist@wcdpa.com
