Senior Couple	\$110	\$120

Support your community pool by purchasing a pass. Your pass purchase helps to keep the outdoor community pool in operation. We are one of the last communities who still have a pool available for their residents and surrounding community members. We hope to keep it going and keep this part of our outdoor recreation facilities. We appreciate your support and hope that you consider this a great resource to the area.

More information on pool hours, **party rentals, swimming lessons and advertising opportunities** to benefit the pool will be provided at Derry Community Pool in May closer to the opening season. Thank you. **Community Pool Office 724-694-8228**
